MAPS AND CLASSES

The screenshot shows a web browser's developer console with the 'Console' tab selected. The console displays the output of a JavaScript script. The output is as follows:

```
****MAP DEMO**** maps.js:1
Maths MARK : 100 maps.js:12
Science MARK : 89 maps.js:13
English MARK : 90 maps.js:14
CS MARK : 100 maps.js:15
Keys: Maths,Science,English,CS maps.js:18
Values: 100,89,90,100 maps.js:21
Does 'Maths' exist? true maps.js:24
Does 'History' exist? false maps.js:25
After deleting 'English': maps.js:31
  ► Map(3) {'Maths' => 100, 'Science' => 89, 'CS' => 100} maps.js:32
classes.js:2
**** Creating Objects using ES6 features ****
Tata classes.js:19
[Tata, red] classes.js:21
```
